

SWIFT TACTICAL DEPLOYMENT

MOBILE AND PORTABLE

The **mobilink** portable tripods and masts are deployed within minutes and can easily be relocated as the critical situation changes.

INCREASED SAFETY

Since **mobilink** can be accessed via a network, any situation can be monitored and analyzed from a safe distance, including a web-enabled cell phone.

VISUAL DETERRENCE

mobilink cameras provide a level of deterrence that has been proven to reduce, and in many cases, eliminate criminal activities.

NETWORK ACCESS

With the available WiFi or mesh network hardware, emergency situations and crime scenes have real-time access to **mobilink** video.

BATTERY POWERED

With the optional battery pack, **mobilink** can be powered for up to 72 continuous hours, depending on available options and load.

mobilink tripods and masts provide a multitude of functionality for almost any crime scene or emergency situation. With the available WiFi or mesh network hardware, they provide a wireless network across the entire scene.

Fitted with IP-based CCTV cameras, IR lighting and motion detection devices, **mobilink** tripods and masts provide on-site, portable security 24 hours a day, 7 days a week.

mobilink can now be rented for any city event such as parades, marches and demonstrations. With **mobilink**, these highly visible public events can provide greater safety and security for everyone involved.
