

## Case Study #7

### Providing Effective Deterrence When and Where It's Needed

#### MOBILE AND PORTABLE

Since **mobilink** tripods can be deployed within minutes, they can easily be relocated to other high crime areas as they arise.

#### WIRELESS VIDEO

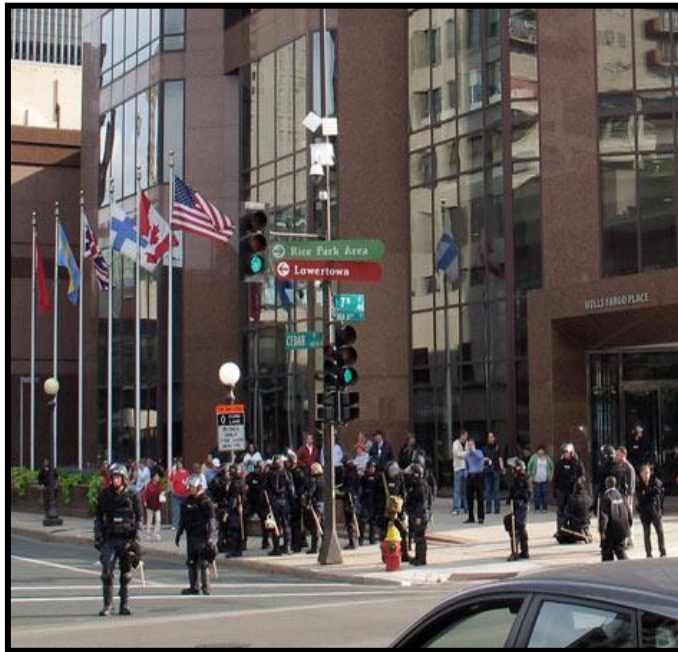

With **mobilink's** available WiFi and wireless mesh network hardware, deploying this type of tactical surveillance when and where it's needed has never easier. With a web-enabled cell phone or PDA, staff can watch the video from a safe distance.

#### SITE SECURITY

**mobilink** tripods and masts are fitted with network based security video cameras, perimeter detection devices and wireless intercom systems. **mobilink** makes securing any situation much easier and more affordable than ever before.

#### BATTERY POWERED

With the optional battery pack, **mobilink** can be powered for up to 72 continuous hours, depending on available options and load.

- **mobilink** wireless video systems provide an immediate deterrent against crimes like prostitution, robbery, vehicle theft and vandalism and sales of illegal narcotics . With the available WiFi or mesh network hardware, **mobilink** provides a wireless network across the entire crime area.
- Fitted with network based CCTV cameras and optical detection devices, **mobilink** provides on-site, portable security 24 hours a day, 7 days a week and in total darkness with the available IR lighting package. **mobilink** is one of the most technologically advanced, tactical portable crime deterrents available today.
